

MAINTENANCE AGREEMENT

Name: _____

Billing Address: _____

Phone: _____ Email: _____

Per this agreement, Aberdeen Gate will perform our maintenance checklist twice annually. These routine maintenance calls are performed on days/times set by Aberdeen Gate in the Spring and Fall. We will let you know when we are coming and give you a report upon completion. **When you sign up, you get a \$50 discount on other service calls during the year.**

NOT included in this agreement:

- Parts that need to be replaced that are no longer under factory warranty. If any out-of-warranty parts are needed, we will contact you. If you cannot be reached, we will suggest the replacement parts in our report.
- Acts of God (tornados, lightning, rain, etc.), vandalism, vehicle destruction, pest harm, equipment abuse, or other damages out of our control.
- Emergency repair trip charges are discounted \$50 but they are not free.
